This section requests information on direct-line (biological) pioneer ancestors who came to the geographic area covered by the State of Deseret or Utah Territory between July 1847 and 10 May 1869, through whom you are eligible for membership in International Society Daughters of Utah Pioneers. Only one direct-line pioneer ancestor is required for you to be eligible for membership, BUT please list four direct-line pioneer ancestors if you have them. Both Paternal and Maternal lines can be used.

A direct-line pioneer ancestor represents a direct, parent-to-child relationship from one generation to the next back to the pioneer ancestor that qualifies you for membership.

1. Print your full name on the top of the page.
2. Print your full name again and your birthdate. Birth dates should always include day, month, and year.
3. Please complete the section asking for your direct line pioneer ancestors, their birth place, birthdate, and the pioneer's relationship to you. There are spaces for four direct-line ancestors.
4. Print the year they came to geographic area covered by State of Deseret or Utah Territory.
5. Print the wagon company in which your pioneer ancestor came. Many can be found in Mormon Overland Travel 1847 - 1868 website (Google Pioneer Company Search).

7. Print your pioneer's death date and place of death.

2. Begin the pedigree by listing your parents and grandparents. Choose one grandparent from lines 1-4 from whom one of your direct-line ancestors comes and write that grandparent's name on the pedigree line labeled "Grandparent" in the pedigree below. Continue to trace your pedigree to direct line pioneer ancestor through whom you are eligible for ISDUP membership. The Pedigree Chart has space to accommodate through 5th great-grandparents, though you may not have to go back that far to reach a qualifying ancestor.
3. A proper pedigree must be submitted with the application. Filling out the pedigree on this page of the application form as described, fulfills this requirement.
4. In the space designated, write a short history of one of the direct-line pioneer ancestors listed on page 2 of the application. Indicate the names of their parents, birthplace, name of spouse and children and how they crossed the plains. Give any information to prove they were in the State of Deseret by May 10, 1869.
