Outreach

Outreach is an activity of providing services and information to people who might not otherwise have access to those services. In the case of Daughters of Utah Pioneers' Outreach Program, it is our desire to inform through programs, lectures, games, and any other means of learning to educate those who desire to know more. It is our intent to "Reach Out" to our own FAMILIES and the community by representing and honoring the pioneer era in order for everyone to have a greater understanding, awareness and appreciation for the wonderful lives of the pioneers and our collective heritage.

Consider this:

...Companies and camps should have a designated Outreach contact.

However be aware that we are **ALL Ambassadors** for Outreach because we are all members of Daughters of Utah Pioneers!

...Focus on you own families. Tell stories, show pictures, pioneer puzzles, family reunions, pioneer bingo, matching games, field trips, and any other activity that will promote your pioneer ancestry and YOUR passions!

...Why is this important? Because it's our heritage. It's our responsibility to pass it along. If we don't who will?

...REMEMBER.... Outreach is anything you wish it to be. It's ongoing, and

IT'S SIMPLY FUN!

...Let us hear what you are doing. What is working for you?
