PRESIDENT'S CONVENTION REPORT – 2017

The President's Report contains information for your district convention and is a suggested outline to be used by the president of your company when giving her report. This report is a compilation of information from all your camps. The time period covered in the President's Report is to be from last year's convention to the current year convention. **Please limit your report to information requested on this form. Detail is not required.** After the report is presented, please give it to the International Board Member attending your convention. The information contained in this report is vital to the International Board Members attending your convention.
