THOSE WHO MAY MEET WITH INTERNATIONAL SOCIETY DAUGHTERS OF UTAH PIONEERS

- **REGISTERED MEMBER**

A woman who is enrolled and pays annual dues through a local camp and whose application for membership has been accepted by the International Board. She may hold an elected office and vote.

A woman whose papers are filed with the International Board may become a member of any camp where she resides upon presenting her membership card or membership number. No camp may deny admission to a registered member or to an applicant who resides within its area; and no camp shall maintain a waiting list. If necessary, to accommodate new members, such a camp shall be divided.

- **ASSOCIATE**

A woman who does not have ancestors who came to the State of Deseret before May 10, 1869 but has an interest in pioneer history is welcome to participate in a DUP camp where she resides.

They will be called "Associates of Daughters of Utah Pioneers" and may participate in all activities of the organization. They cannot hold an elected office. They can hold other positions in the camp and give pioneer histories. These histories may be sent to the International History Department for storage in the files.

An Associate pays an annual fee (2016) to be treated as a member. Her name, address, and phone number are added to the membership list on a separate form called Camp Associate Register. This entitles her to be given an Associate Certificate. We value our Associates and are happy to have them join us for meetings, socials, Jubilees, and conventions.

A certificate can be given to an Associate, if desired, and is available for purchase from ISDUP.

- **MEMBER-AT-LARGE:**

A woman who is a member and pays International dues, but not affiliated with a camp or company.

A woman who does not reside within the area of or at present cannot participate with an organized camp, may apply for membership directly to the International Board by sending in an application form, registration fee, and International dues.

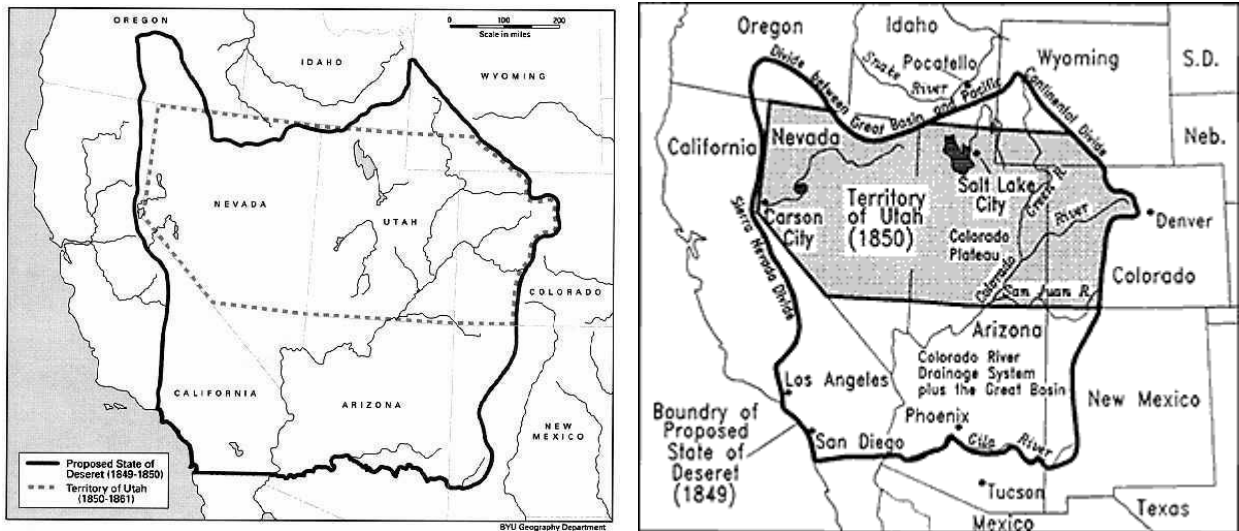

Her application shall be signed by two witnesses. Upon acceptance, the new member shall be designated as a Member-at-Large. She may not hold office or vote until she transfers to an organized camp.

When completing an application for membership in International Daughters of Utah Pioneers, please make sure you have a primary source of information to prove your ancestor crossed the plains before 10 May 1869.

If the date of arrival in Utah and the name of the Pioneer company cannot be located in the lists provided by the Mormon Pioneer Overland Travel 1847-1868 (Google – Mormon Pioneer Overland Travel), <https://history.lds.org/overlandtravels/> then...we need a primary source of information such as birth date, rebaptism date, marriage date, endowment date, etc. that will prove the pioneer was in this area before 10 May 1869.

Registrar Application Instructions

Revised 6-4-16

DUP online application (www.isdup.org) – Use this option, if at all possible. Fill in information on the computer then print it out. Typewritten is better than interpreting the applicant's handwriting. Some computer servers will allow you to save the fillable PDF, but most do not. You can print of a blank one and fill it in by hand, if necessary.

DO NOT COPY the older version of the Original/Duplicate 8 ½ x 14 legal application for more copies. Print off a new blank online application from our webpage at www.isdup.org. **If you already have other versions copied, throw them out.** Please use the updated version. **PRINT** the entire application.

Company/Camp Registrars – take the time to look over the entire application. It is your responsibility to make sure it is filled out **CORRECTLY** and **COMPLETELY** before sending it to International. Do not assume it is correct and all you need to do is sign it. Don't forget to proofread spelling of name, correct address, telephone number, and 9-digit zip code. **PLEASE LOOK IT OVER!**

Look over the application for:

- ✓ **Camp and Company Name** – Write in complete names
- ✓ **Full name (including middle and ALL married names in order on ALL pages)**

(If the applicant does not want a certain married name listed on the application, please attach a note indicating so and write out the name the applicant wants on the certificate and membership card. We will automatically insert married names if any of the children listed has that same name)

- ✓ Applicant's signature
- ✓ Two witnesses' signatures
- ✓ Camp captain's signature
- ✓ Camp registrar's signature
- ✓ Company president's signature
- ✓ Company registrar's signature and address

If the Company President or Captain is unavailable to sign, the 1st Vice President or 1st Vice Captain may sign, but please change the position title, if different.

If the Company or Camp Registrar is unavailable, any of the elected officers may sign, but please change the position title, if different.

If applying at the beginning of the DUP year, **DO NOT SEND THE APPLICANTS REGISTRATION FEE OR CAMP/COMPANY DUES WITH THE CAMP MEMBERSHIP DUES REPORT** in October.

- ✓ **Have the applicant send a personal check with the application for \$20.00 (\$15.00 INTERNATIONAL DUES + \$5.00 REGISTRATION FEE).** Name and address on the check can verify information, if illegible.
- ✓ **Make sure the check is made out to ISDUP and not the camp. CASH is okay to send.**
- ✓ Checks received by ISDUP that are over 90 days from the date written, to the time it is processed, will be returned for a currently dated check to insure payment.

Include **four direct-line ancestors**, if applicant has them. If there is only one and that one can't be verified, then it goes into the "problem file" which delays processing of the application.

One of the direct-line ancestors on page 2 **MUST** be in the pedigree on page 3 and a short history about the SAME ancestor (IN THE SPACE PROVIDED). This is called **the 3-star system (direct-line ancestor → pedigree → short history)**. Many times the pedigree is from a different grandparent than the direct-line ancestors listed on page 2, and it cannot be determined how they are related.

Do not send in a lengthy history on separate pages. **JUST** fill in the small space provided.

Do not send in a printed pedigree from Family search. **JUST** fill in the pedigree on the application.
