## ***2016 President's Department***

*Maurine P. Smith, President*

*Presidents please refer to last year's information. Fortunately or unfortunately, this information does not change much from year to year. The change this year is the rising cost of doing business.*

- *International dues \$15*
- *Lessons to \$25 bulk rate or \$35 for 1<sup>st</sup> class mail*
- *Museum Memories Volume 8 \$16*

*We really hated to make these raises, but we do need to stay up with the times, after all, we are "Daughters of the Future."*

*One item I would emphasize is to cut the large numbers in some of your camps. By dividing we do continue to grow our organization. I know it is hard to do but it really is better for everyone. It gives more opportunity to more ladies and we get better acquainted with each of the ladies in our camp.*

*Now let's review last year's notes. (Page 3)*

## Read the Bylaws & the President's Packet

Tab them so you know where to find what you need.

**Passing the torch** – New pres. or past pres. – be sure to pass on the pertinent info to replacement. Remove the old forms & stuff

**3 month old Checks** – checks older than 3 months will be returned to you

**Riding “shotgun” for your camps** – Int'l is your backup – you are ‘shotgun’ for the camps. Only the Captain can cancel a meeting – (for health or weather) – not a Lesson Leader

**Dividing a camp or company** – Use captains help to make a division – don't hesitate to decide. Just do it!

**Conventions and Jubilees** – these are different meetings, not to be combined

Roll calls at Conventions – eliminate the stand & count roll call for a better system

**Be a resource with a listening ear** – help the camps, by listening to their needs.

**Headstone Markers \$37 – 2” \$70 – 4” medallion** – only for members w/ member number  
Not a “do it yourself” project – check with cemetery

Submitting memorial donations – Associates, husbands, friends – only members are listed in *Legacy*.

Obituaries – in lieu of flowers donate to – remember DUP in wills

## Do you have sponsors that visit the camps 3 times a year?

Captain's lunch to prepare for your Convention – share problems and solutions

## Legacy reporter? Outreach chairman?

**What do you do at Board Meetings? Planning ahead – one month, 3 months, a year?**  
Phone calls are not meetings.

**Insurance for satellite museums – Liability only – ask Insurance salesman to donate in exchange for your recognition**

**Elections according to the Bylaws – Camp and Companies – only 3 terms.**

Installation of officers – who needs to be installed?
