Spring Issue • March 2024

To all Members and Associates of Daughters of Utah Pioneers, I welcome you to our new year of 2024 and the promise of a coming spring with the ending of a grand winter season.

Ellen Jeppson
ISDUP President

The objective of this Organization is to perpetuate the names and achievements of the men, women, and children who were the pioneers. I am constantly amazed by the stories I find through my research and the research of others that teaches me about challenges and experiences faced by the pioneers. It is easy for me to perpetuate and share these with others because of the self-sacrifice and dedication revealed, the intelligence displayed, and the unwavering faith defended. Our pioneers were constant

and true and their examples for us are endless, illustrated by the following.

When pioneers migrated to the United States, they began their journey at home by packing the belongings they could carry and making their way to a seaport sometimes hundreds of miles away. After waiting for a ship, they sailed for six to eight weeks where they were cold, wet, sick, and hungry with family members who sometimes died and were buried at sea. Upon arrival in America, they were directed by church agents to take trains, barges, boats, ferries, and wagons over a thousand miles to Winter Quarters, often without understanding others because they couldn't speak English. Here they joined companies to cross the plains traveling another one thousand two hundred miles. Arriving in Salt Lake, they were directed to temporary homes and shelters where they could make plans for their future. The stories of these Saints are priceless and worthy of perpetuation.

I have been reminded that it is not valiant to merely remember. President Thomas S. Monson once said, "Let us not only remember the past and its required sacrifice, let us also remember that we are responsible to build a legacy for the generations which follow us." Daughters of Utah Pioneers provides the framework for perpetuating the legacy of our pioneers. Holding Camp Meetings, actively participating in held offices, and attending Company and International events perpetuates the spirit of the pioneer willingness to learn and serve others. Supporting historical markers and caring for pioneer artifacts in museums as well as sharing these precious items can strengthen the legacy. We encourage you to embrace the pioneer spirit as you carry out your efforts as a Member or Associate of Daughters of Utah Pioneers.

As Dieter F. Uchtdorf wrote, "In the life to come, the pioneers will be far more concerned not about what they did, but about what we did as a result of their sacrifice."

We know much of what our pioneer ancestors sacrificed for us. We show our appreciation, admiration, and love to them by emulating their lives and remembering their stories.

With respect and gratitude,
Ellen Jeppson

Legacy Editor, Stacey Page

The 2024 District/Company Conventions are underway. One of my favorite responsibilities on the International Board is the opportunity to attend District Conventions and meet daughters from different areas. I have attended conventions with 10-12 daughters who are part of a small, one-camp company. I have also attended conventions that have combined 2-3 companies with 100-150 daughters from many camps. No matter where the convention is held, or how large the participating camps and companies may be, these women gather because of their love for our pioneer ancestors and their dedication to preserving their stories and artifacts. I enjoy the opportunity to be together with these daughters and hear their stories and learn about their communities. If your company is scheduled to have a District Convention this year, I hope you will attend.

ISDUP BOARD MEMBERS RETIRE

Thank you to **Sheryl Nabrotsky** and **Merna Dalton** for their countless hours of service. We appreciate their contributions to DUP while serving on the International Board.

DEANN BAXTER JOINS ISDUP BOARD AS MUSIC CHAIR

DeAnn Baxter is a Utah girl who loves pioneer stories, music, cooking, and crafts. She was born in St. George, Utah and grew up in Richfield, Utah, and Orem, Utah. She received a BA from BYU and a M.Ed. from University of Phoenix. Her years of music experience include a background in piano, organ, and vocal performance. As a child she loved to hear the stories and to visit the pioneer sites throughout Utah. Recently retired as an elementary teacher for 28 years in Jordan School District, she keeps busy as a wife, mother of five and grandmother of six, and serves in various church positions. She is a member of the Jordan River Camp, where she is music director. She is thrilled to be a part of DUP and is excited to serve on the ISDUP International Board.

MARGUERITE MOWER APPOINTED MARKER CHAIR

Marguerite Mower is the daughter of Morris and Annetta Mower. She was born in Greeley, Colorado and has lived in various communities in Utah. Her hometown communities are Ferron, Utah where she was reared and Salt Lake City where she has spent her adult life. Marguerite received a BS Degree from SUU and an M.Ed. from the University of Utah. She taught Special Education at Pleasant Grove High and then worked as teacher leader for Alpine School District at the end of her career. She is the past chairman and currently serves on the Utah State Library Board.

Marguerite Mower

Marguerite has traveled thousands of miles through five states to locate over 540 (although some were not on display) DUP markers. She plans to visit all of the markers in North America and hopefully will visit the European markers. She enjoys the history preserved with the marker statements and admires the women who used their skills to preserve the history for all when placing the markers.

ZOOM CAMP MEETINGS

ISDUP has established a pilot program for holding Zoom Camp Meetings. We have Camps in Texas and Missouri participating thus far. We are hoping to establish Eastern, Mountain, and Pacific time zone Zoom Camps. We need Camp leaders who are comfortable with the technology required and a willingness to conduct such meetings. If you can help, contact Vicki Chambers at: membership@isdup.org.

CAMP ELECTIONS

At the completion of Camp officer elections, Camps forward the election results to the Company Board. The Company reports Camp Captains on the Annual Statistical Report due to International on June 30, 2024, at which time International records will be updated.

CELEBRATE YOUR HERITAGE

It is not too late to include your DUP heritage in upcoming local summer celebrations. Possible ideas include entering a float in your town's parade or setting up a booth with pass-along cards including pertinent information and a personal invitation inviting others to join our wonderful organization. Send your stories and successes to the *Legacy* so we can share with one another.

LETTER OF ESTEEM

A "Letter of Esteem" can be ordered through the online Shop. It is a form to be filled out by the deceased's local Camp to honor her memory. These letters are often read as part of the funeral program. Camps can also honor deceased Members by contributing a Memorial Donation to International in the name of that person. This can be found on the website under the Forms tab > Other Forms > Memorial Donation.

DISTRICT/COMPANY CONVENTIONS

ISDUP representatives are now assigned to attend District/Company Conventions every other year. If you are unclear on what your Company should plan in years without a representative please visit the website. www.isdup.org > Leadership > Company Officer Information > Company and Company Board Responsibilities and Purposes (page 2).

INTERNATIONAL DUES INCREASE

Beginning on May 1, 2024, our International dues will be raised to \$20.00 per year due to increased operating costs over the past several years. We appreciate your support for this change which comes with the ongoing promise that all funds will continue to be spent with the utmost respect, care, and accountability.

**TALES OF TRIUMPH VOLUME SIX
LESSON TEASERS**

Families of the Mormon Battalion (March)

Some 150 wives were left behind when their husbands marched off with the Mormon Battalion in 1846. Many of the women lived in covered wagons, dugouts, and crude cabins while their husbands were gone. One wife was left with only a blanket stretched over some bushes for her shelter. (p.255)

“Down and Back” Church Trains (April)

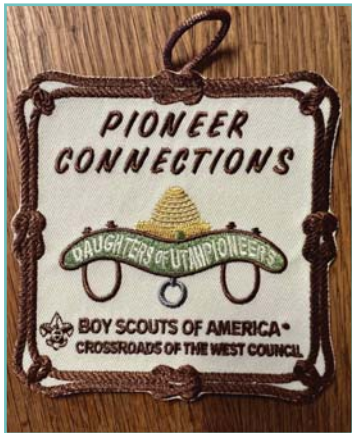

Almost one third of the total Church migration utilized the “down and back” trains from 1861-1866. The round trip from the Valley to the Missouri River and back took about four months. This was the same amount of time it took for the Vanguard Company to reach the Utah Territory from Winter Quarters. (p.292)

St. Thomas, Nevada; Mormon Island, California; and Rockport, Utah (May)

Disks for the scales that were used to weigh gold were made from brass buttons taken from a military uniform. (p.350)

PIONEER CONNECTIONS – NEW BOY SCOUT PATCH

The Daughters of Utah Pioneers is proud to partner with the Boy Scouts of America, Crossroads of the West Council on a new collaborative patch for Scouts and families. The patch was designed by Joshua Hakke, Crossroads of the West Council; Matilda Mayfield, DUP member and Scout leader and Pamela Carson, ISDUP Librarian. Scout units and families can make appointments to visit any DUP museum to complete the requirements. DUP volunteers will have new opportunities to meet and discuss pioneer heritage while helping Scouts complete requirements to earn the patch. The first requirement

is to visit any DUP Museum, see the relics and speak with a docent. Patch requirements and how to order are available at www.utahscouts.org/pioneer.

DAYS OF '47 ROYALTY SCHOLARSHIP COMPETITION

What event features scholarships and confident female descendants of our pioneer ancestors? It is the annual **ISDUP Days of '47 Scholarship Competition** to be held March 29 and 30 at the Pioneer Memorial Museum. We invite you to encourage your daughters, granddaughters, nieces, neighbors, and other qualified young women to apply to become a contestant in the competition. It allows them to create lasting friendships, increase confidence, and perhaps earn a title along with generous scholarship funds. Three young women will be selected to represent the State of Utah, The Days of '47, and Daughters of Utah Pioneers. Visit the ISDUP website for qualifications and the application which must be received by March 8. Watch the pageant on the International Society Daughters of Utah Pioneers Facebook page. The event will be streamed live on March 30 at 5:00 pm MDT and can also be viewed any time after the event.

HAWTHORNE CAMP HISTORIC HOME TOUR

The **Hawthorne Camp** of the Wasatch Company in cooperation with the local Mountain Valley Sons of Utah Pioneers conducted a tour of Historic Homes in Midway, Utah, on September 29, 2023. Tour leaders, Inez Wilde, Jane Giles, Launa Neilson, and Barbara Thacker related personal stories along with historical facts about the homes as well as the pioneers who lived there.

PAINTBRUSH DAUGHTERS PAINT PUMPKINS

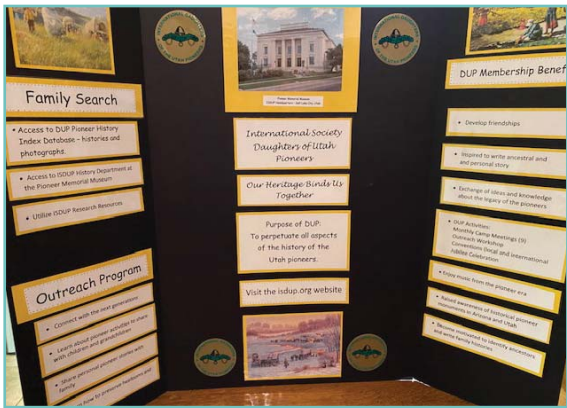

One of the 10 year initiative goals the **Indian Paintbrush Camp**, Minidoka Company in Rupert, Idaho, has is to become more community-oriented, participating in community events and becoming more visible in the community. A first step in moving toward this goal was to join in the town's Halloween celebration on the Rupert Square. One daughter had grown huge pumpkins and donated them to the camp to paint and place on the Square where they would be included with displays from other community groups. Five Paintbrush daughters used their paintbrushes to create some pretty pumpkin people with fun faces for display. The displays stayed on the Square for all to see for a week prior to Halloween. “It was a fun day,” noted Camp Captain Janet Cameron.

VISION — ACTION — OUTCOME

Last year, ISDUP introduced The Ten-Year Camp Initiative which became the driving force to formulate a plan to increase membership in a declining Camp in **Maricopa West Company**, Arizona. This evening Camp was chartered 35 years ago, and recruitment was needed. A one-year pilot plan was put into place after consulting with ISDUP with the purpose of using the existing camp charter and its declining membership to organize a day meeting option. Elected and appointed officers were organized to cover both meetings. Potential members were identified and contacted. Invitations were sent for an open house organized following the ISDUP online Outreach Ideas — a display board and give aways included DUP scratch pads, old lesson books, bags of jacks, marbles, whirligigs, kits for pioneer yarn dolls, and honey candy. A Q&A and light brunch followed a presentation. Seventeen women attended with individual follow-up. The outcome of this pilot project has brought together a sizeable group who are thrilled about their membership in DUP. Enrollment as of January 2024 consists of eleven Members, three Associates and four working on applications. This has truly been a lifeline to the original evening Camp Roster.

ELLEN WRIGHT CAMP TURNS 100

On January 8, 2024, the **Ellen Wright Camp**, in Franklin Company, Franklin, Idaho, Idaho's first DUP Camp, celebrated their 100th birthday. Ellen Wright Camp DUP members were joined by Company DUP President and members. DUP members wrote 100 pioneer names on balloons and let them fly into the air as the sound of the adjacent bell located in the top of the Franklin city historic jail rang out. Cake and ice cream were served as pioneer artifacts were demonstrated and explained and ancestor stories were shared.

SOLANO COMPANY CHRISTMAS PARTY

The **Vacaville Nut Tree Camp**, Solano California Company started off their December 11, 2023, meeting with a potluck luncheon followed by their regular meeting consisting of a beautiful rendition of "Star Bright" sung by Carol Rossiter and Kathy Turgeon, accompanied by Dorothy Laney. Eileen Call gave an engaging Victorian Christmas Traditions lesson, involving everyone in the room. After the meeting they gathered in a circle and played the left-right gift exchange game, with many giggles and pauses getting the gifts securely passed along. Everyone was delighted with their Christmas Décor gifts.

CHIEF PETEETNEET CHRISTMAS PARTY

Eight Camps from the **Chief Peteetneet Company**, Payson and Santaquin, Utah, celebrated in the new Santaquin City Center with about 75 members present. A Christmas dinner was served to all. Payson High School's elite Trouveres, with 36 members, entertained with acappella Christmas songs. Rose Nyman, company historian, compiled a slide show of individual members taken over the past years at their company meetings. So many smiling faces! She also had pioneer ancestors telling their Christmas stories with the use of a new program where a once still portrait could move eyes, lips, and head and make the story come alive.

Teresa Halley, Company President, gave a talk about the dash between our birth and our passing. What will your life include and leave to your posterity? A challenge was issued — use family search programs to bring your ancestors alive by telling their own stories through talking pictures.

SACRAMENTO COMPANY CHRISTMAS JUBILEE

Eighty daughters from the **California Sacramento Company** attended the Annual Christmas Jubilee at the Rossmoor meetinghouse in Rancho Cordova, California, on December 2, 2023. Also in attendance was Daughter Roberta Tanner, the Northern California Regional Representative. Sacramento Company President Delcia Bosch invited the daughters to bring a heritage dessert to celebrate some of their ancestors at their Victorian Christmas. Delcia told the history of her great grandmother, Ida Matilda Bengtson Erickson, born on March 20, 1856, in Elgenäs, Lofta, Kalmar, Sweden, as well as sharing her great-grandma Ida's delicious Steamed Carrot Pudding recipe.

HOLIDAY CHIMES "SING AND PLAY-ALONG"

Daughters in the **Gold Country Pioneer Camp**, Sierra Nevada, California Company, were delighted to participate in a holiday carols Chimes "Sing & Play-along" during the December Victorian Christmas Traditions lesson. They were instructed in chimes technique by conductor and lesson leader, Laura Preece. Laura gave a special reading of a lesser-known 1836 Dickens story, "A Child's Dream of a Star," in keeping with Victorian tales. Not one eye was dry by the tale's end. Members exploded authentic Victorian Christmas Crackers, enjoyed a left-right gift-passing game of the "Missing Naughty-Nice List," and a festive holiday luncheon to culminate the special day.

COVE AND JOSEPHINE CAMPS COMBINE FOR CHRISTMAS PARTY

Cove and Josephine Camps, Sevier Center Company in Richfield, Utah, gathered together on Dec. 11, 2023, at the home of Sue Douglas for a Christmas Lesson and light lunch.

EUREKA! WE FOUND GOOD STUFF

Little Mountain Camp, Tooele County Company, Tooele, Utah, visited local ghost towns, or near ghost towns, to learn some of the history of the places around them. Their first excursion was to the birthplace of their own camp member, Carolee Colovich, in Eureka, Utah, San Juan County. Eureka is an old mining town, just outside of Tooele County, that once had a very large population but has decreased over the years. The Daughters saw the outskirts of Eureka where the people once lived closer to the mines. Most of these homes are now gone, and the people have moved into town. A surprising treat while traveling to the site was meeting a wagoner club. These people, from all over Utah, restore old wagons or build new ones in the style of the pioneers. They come together at least twice a year to have treks and take their wagons along dirt trails and roads. Their destination was Mammoth.

The Daughters ate lunch at the Cast Iron Bistro. The owners stay busy feeding the locals and those visitors from other areas who are there to see the town. Eureka has many museums to showcase its unique and colorful past, which you can visit by appointment. It also has a cabin that once belonged to Orrin Porter Rockwell.

The last stop was visiting a newly opened rock and antique shop. The owner, Mary, also lives at the store and shared the history of the building. It was once a restaurant that bootlegged in the 1920s during prohibition. There is an actual working well in the middle of her building, and a secret tunnel in the back that the moonshiners would use to escape the detection of police officers. The daughters enjoyed exploring the past of one of Utah's mining towns and their Camp hopes to be able to explore more sites soon.

SALT LAKE EAST BENCH COMPANY HAD AN ACTIVE 2022-2023 YEAR

The year 2023 began in June 2022 with training by International Board members, and that information was relayed to the Camp Boards in August. Emily Deason from the Church History Department attended and shared a fun history of the facial hair of Joseph F. Smith. Early in the Fall an activity was held at the Salt Lake City Cemetery with Emily Deason. She gave a guided tour of several pioneer graves. Daughters learned the importance that family history knowledge has on the self-esteem of their children and grandchildren. In February, they learned from Laura Anderson and Mary Ann Kirk, who both work for the Mormon Battalion Association. Mary Ann Kirk specializes in the Women of the Mormon Battalion, and she presented stories and pictures that were informative, interesting, and inspirational about the "Laundresses of the Mormon Battalion." The final Jubilee meeting on May 1, 2023, included the swearing in of new camp officers and a power point presentation by one of their members, Kristen Oaks. She shared the history of her great-great-grandfather Joseph F. Smith as a prophet, husband and father. A slide show presentation of the members in each of their ten camps and their activities of the past two years was shown, followed by a delicious catered luncheon for over 100 guests.

Pioneer Mysteries

The mystery for this issue is a group of handsome gentlemen. This is a lovely studio photograph. We have no information about where this was taken or who the men are. They probably belong to one family, so if we can identify one of them, we may be able to identify all of them. We would like to give them names and connect them with their families.

If you recognize the image or think you might know who any of them are, please contact the Photo Department at photos@isdup.org.

WHERE IS THIS PIONEER HOME?

Can you picture blue skies, birds singing, velvet roses and lilac trees? That is exactly what Clara Watkins McMaster remembered as she wrote her Primary song, "Heavenly Father Loves Me." She only lived there for six years, but the fond memories remained. Her family wasn't the original owner and builder of this home, however. James F. Whitney, grandson of Newell K. Whitney, built this house in 1900 where his family resided for 11 years. Where is this beautiful pioneer home located? Check the ISDUP March Bulletin for the answer.
